

Executive Sales & Opereations Hub

Executive Performance Overview

Strategic Insights & Recommendations

Key Findings

- Sales have increased consistently from 2014 to 2017, indicating sustained business growth and positive market performance.
- Furniture is the highest revenue-generating category, contributing significantly to total sales volume.
- Profitability remains strong overall, with positive profit performance across the business.
- Discount levels show varying impacts on profit, suggesting that aggressive discounting should be monitored to protect margins.

Recommendations

- Continue investing in high-performing product categories to sustain revenue growth.
- Monitor discount strategies to ensure sales growth does not come at the expense of profitability.
- Use the Region and Year filters to identify areas with stronger performance and replicate successful approaches across the business.
